

David J. Bradley, Clerk

[illegible]

The court grants the motion for a continuance. The scheduling order previously entered, Docket Entry No. 8, is vacated. This case is stayed and administratively closed pending the plaintiffs' efforts to effect service. This case may be reinstated to the active docket on motion filed by any party within 14 days after service is effected. If the plaintiffs conclude that service cannot be effected, or that there is another basis for reinstating the case to the active docket, the parties must do so promptly and in any event no later than January 6, 2017.

The plaintiffs must also file a joint written status report with the court every 60 days, beginning on March 31, 2016, describing their efforts to effect service and any other relevant information.

SIGNED on March 3, 2016, at Houston, Texas.
